VOLUME 11, ISSUE 12 MONTHLY NEWSLETTER JANUARY 2011

## President's Message!

### By Kevin Hall

Someone asked me why did I accept to become an officer in this club. My answer at the time is the same as it is today. Because I truly believe in the mission we do as Shriners and if I can become a leader of this club and have the support of the members, we will do what is right to support the Shriners Hospitals for Children. If we pull together, work side by side, enjoy the company of our fellow Brethren, then we will succeed in the true purpose of our mission as Shriners.

I am honored and truly blessed to have been nominated three years ago to join this officer line and now have reached the elected office of President. As I look forward to a year of progress in 2011, I want to challenge our membership to become involved in our activities if your cable tow allows. As Shrine Masons, let us all look inward and see if we can give a little more labor to our club so the end result is a fruitful reward to our patients at the hospitals. I truly believe we have a great membership base at WCSC and I know we can work together as a club for the benefit of our main purpose as Shriners.

## Shrinettes Message!

### By Georgia Hall

Hello Shrinettes and welcome to 2011. I know the Christmas and New Years celebrations are coming to an end and I hope we are all looking forward to what the new year will bring. I want to thank all of you for helping out during Effie's term as President. Join me in congratulating her on a job well done. I hope with the Shrinettes backing in the coming year we will have a successful year as we work for the kids and the Shriners Hospitals for Children.

The following Shrinette officers were installed at the December 10 dinner dance. Thanks to Helen Barefoot for being a proxy for Rita Walker:

President	Georgia Hall
Vice President	Sherrill Wilkins
Treasurer	Rita Walker
Secretary	Barbara Fussell

I have appointed the following members to these committee assignments:

Membership	Barbara Fussell

## Presidents Message!

*continued from page 1*

My Lady Georgia and I are looking forward to the club activities this year. We also are planning a few extra events for club members and their families. As soon as they are confirmed we will publish and send emails out. If you are not on the club email list, please make sure to notify our Secretary, Noble Jerry Chapman so he can add you to it. His address is inside this newsletter.

Please remember this is OUR club, not mine. I am honored to serve in a leadership role and take this club where the membership wants to go. I am just one person and I will solicit the membership to help guide this wonderful club we call Wake County Shrine Club to higher expectations. We have been challenged to have our Fish Fry (and do the cooking) and also have the return of the Golf Tournament this year. The officers are behind this and I know we will succeed. More events are on the calendar already. We will have these dates lined up by the end of January.

The next dinner dance will be February 19th and will include a plated dinner served at your table. The menu is listed in the calendar section of this newsletter. **It is imperative that when calling in your reservations that you notify the office which meat selection you want.** On the night of the dance, you will receive a colored placard (based on your reservation) to place at your seat so the servers will know which meat selection to give you. Get your reservations in early so the proper amount of food can be ordered and be ready for you. We want this night to be a special Valentine's night. Invite your friends to come also.

We will be publishing a 2011 Membership Directory this year. If you have any address changes or phone number changes, including home, work or cell and also email address changes from the previous edition, please notify our office by email or call the office and let Juanita know of the changes. The expected published date will be March 15.

In closing, let's all have a productive year as we come together for the benefit of Shrinedom and the mission of supporting the child in need of services at our hospitals. One by one we will succeed and we will have fun doing our work. Come to our membership meetings and stay informed.

Yours in the faith,

Kevin C. Hall  
President

The Ways and Means Committee, under the direction of Stephanie McDilda along with Vickie Shue and Susan Spivey will be looking into ways to help us raise money for our club and hospital. If you have any ideas, please let them know. Of course the one big money maker we have is the Designing Womens Luncheon which is scheduled for April.9<sup>th</sup>.

Our monthly luncheon will resume in February. More on this in next months issue and by email. Thanks to Rita for keeping up with the membership email messages. Speaking of email, the WCSC President has told me (*you know I have an inside connection this year*) that he will be publishing a new WCSC membership directory for the club. If you have had any changes in your mailing address, phone number(s) or email, please let Barbara Fussell know so she can notify the club office. This will also help us maintain our membership database for our own directory too. Thanks to Barbara who has done a great job in keeping the membership roster up to date.

Last year when I went down to work the Shrine Bowl of the Carolinas, I got to tour the Greenville Shriners hospital. I was truly impressed by what I saw in the facilities there. Twenty-four years ago my daughter was born 15 weeks premature weighing 1lb 11oz and I know first hand what might lay ahead of families that face the uncertainty of what their child may face in the future. The work we do and that of the Shriners is truly God's blessing in helping our patients in the Shriners Hospitals for Children.

For the kids,  
Georgia Hall  
Shrinettes President
